New Hours at Graham Park Collaborative Collection Site

ROCHESTER, Minn. – Olmsted County Public Health, in collaboration with Olmsted Medical Center and Mayo Clinic, opened a community COVID-19 specimen collection site on Monday, March 23, 2020. Beginning Thursday, March 26, 2020 new hours are:

Monday – Friday 9:30 am – 5:00 pm

Saturday and Sunday 10:00 am – 4:00 pm

Graham Park Site hours are being changed to better align with the other two collection sites, reduce confusion and improve better customer service.

Individuals are required to call their primary care provider to have a phone screening first to determine if testing is appropriate and meet criteria for a COVID-19 test. If approved, patients will be directed to a specimen collection site and will receive further instructions at the site.

Mayo Patients should call: 507-293-9525

All others should call Olmsted Medical Center at: 507-292-7266
