Approve Resolution No. 2020-04 amending the 2020-2023 TIP to reassign the funding source of the federal share of Transit Project: CITY OF ROCHESTER; PURCHASE OF FARE TECHNOLOGY UPDATE

This is a City of Rochester Transit project.

The project was originally given Project Number TRS-0047-20TC in the TIP adopted September 20, 2019, and was to receive its federal funding from the Federal Highway Administration's Surface Transportation Block Grant Program. This amendment will change the source of federal funding to the Federal Transit Administration's Section 5339, and will assign a new Project Number: TRF-0047-20L. The total cost of the project remains \$100,000, and the federal share of the project remains \$80,000, regardless of the change in source.
