

Community members and the public are invited to participate in an online public meeting for the US 14 Corridor Analysis Project.

Wednesday, June 10 at 5 p.m.
Live presentation followed by Q & A

Online open house attendees will have the opportunity to hear from and talk with the project team, review potential corridor access alternatives, learn about next steps and take a survey to provide feedback on the information presented following the meeting.

Share your comments:

- The public will be able to type or ask questions during the meeting that will be answered by the project team following the presentation.
- Comments can also be submitted online through the US 14 Corridor Analysis project [website](#) or via the comment form located on the project website which can be printed, filled out, and mailed to: SRF Consulting, 1 Carlson Parkway, Suite 150, Plymouth, MN 55447 by June 26, 2020.

Goals for the project include:

- Improve corridor safety
- Accommodate efficient mobility for east-west travel
- Ensure good accessibility to local communities
- Maintain regional connectivity across both state and local systems

Previous Engagement:

The project's first open house was held at Byron City Hall on October 10, 2019. Those who were not able to attend that open house are encouraged to review the informational display boards presented that evening, available [here](#).

Project Partners:

- Olmsted County
- Minnesota Department of Transportation
- City of Byron
- Dodge County
- City of Kasson

Help us spread the word!

Please share this email with your friends, family, colleagues, neighbors and other community members. We look forward to seeing you in June.
